

# GOOD LIVES MANIFESTO 2024

The Good Lives Manifesto has 6 big aims we ask all political candidates to support. This manifesto was made by Learning Disability England members. More than 450 people from the 680 organisation and individual members got directly involved in deciding what is most important to ensure people with learning disabilities live good lives.

As a Candidate you can pledge your support for the Good Lives Manifesto by:

1. Be a champion for the rights of all people with learning disabilities, including people from minority ethnic communities and with high support needs.
2. Reform social care so it meets the rights of people with learning disabilities and their families and provides fair pay for social care workers.
3. Have effective, reasonably adjusted health services that contribute to better health and raising life expectancy for people with learning disabilities
4. Help people with learning disabilities get the jobs they want supported by a system that recognises contributions not forcing poverty.
5. Make sure people with learning disabilities have the same access to housing options as their nondisabled peers.
6. Make this an accessible general election.
